# A PORTFOLIO OF SOLUTIONS FROM LP

## LP® STRUCTURAL SOLUTIONS

LP's high-performance sheathing panels and innovative technology help protect structures from harsh and unpredictable weather conditions.

### PANELS & SHEATHING

#### LP® TECHSHIELD® RADIANT BARRIER

- Designed to reduce attic temperatures by up to 30° F
- May help builders qualify for various energy codes, including Green Building credits, energy rebates and lower HERS scores

#### LP WEATHERLOGIC® AIR & WATER BARRIER

- Designed for wall and roof applications to safeguard against water intrusion
- Installs just like regular sheathing and eliminates the need for housewrap for potential labor savings

#### LP® FLAMEBLOCK® FIRE-RATED SHEATHING

- Proven to slow the spread of flames
- Combines flame-spread and burn-through resistance in applications that meet fire code requirement

#### LP NOVACORE® THERMAL INSULATED SHEATHING

- Defends against heat loss in the winter and heat gain in the summer
- Combines LP® OSB Structural Sheathing and Owens Corning® FOAMULAR® NGX™ XPS foam for dual-layer protection

### SUB-FLOORING

#### LP LEGACY® PREMIUM SUB-FLOORING

- Superior moisture resistance amid jobsite impacts makes it ideal for top-floor applications
- Proven to be one of the stiffest sub-floors on the planet

#### LP® TOPNOTCH® 350 SUB-FLOORING

- Solid foundation and noise resistance for many flooring materials

Pair LP Legacy® Premium Sub-Flooring and LP® TopNotch® 350 Durable Sub-Flooring with LP Legacy® Premium Sub-Flooring Adhesive for stiffer, quieter floors, backed by a Squeak-Free Lifetime Limited Warranty.

## TRIM & SIDING PRODUCTS FROM LP

LP® SmartSide® Trim & Siding is the #1 brand of engineered wood siding that boasts advanced durability, workability and longer-lasting curb appeal, while remaining one of the most sustainable siding options on the market.

#### LP® SMARTSIDE® EXPERTFINISH® TRIM & SIDING

- Proven to install faster than fiber cement products\*
- Prefinished siding designed to be mixed and matched
- Backed by a 5/15/50-year limited warranty

#### LP® SMARTSIDE® TRIM & SIDING

- Primed and prepped for any paint color
- Proven to install faster than fiber cement products\*
- Backed by 5/50-year prorated limited warranty

#### LP BUILDERSERIES® LAP SIDING

- Durable siding at an exceptional value
- Proven to install faster than fiber cement\*
- Backed by a 1/25-year prorated limited warranty

\*All data referenced came from RSMears' data research document for comparing Louisiana-Pacific ExpertFinish® and SmartSide® Lap Siding and Trim products to fiber cement competitor lap siding and trim products.
