

LP® SMARTSIDE® TRIM & SIDING PRORATED LIMITED WARRANTY EXPLAINED

Choosing products with a superior warranty is one of the most important considerations when choosing siding. When comparing warranties, there are a variety of factors to keep in mind, from the length of coverage to what the warranty provides. The LP® SmartSide® Trim & Siding Prorated Limited 5/50-Year Warranty offers one of the most competitive warranties on the market.

A WORTHWHILE INVESTMENT

Part of what makes your siding choice a good investment is the quality of the prorated limited warranty your siding manufacturer offers. Warranties vary among types of siding, and the cost of the siding you choose will vary as well. However, even if the cost of the siding seems higher than your ideal budget, a robust prorated limited warranty may help make the investment worth it.

Questions to ask yourself when choosing siding:

- Is it a suitable choice for your climate?
- Does it come with a robust prorated limited warranty?
- Does it have proven durability?

BREAKING DOWN THE LP SMARTSIDE PRORATED LIMITED WARRANTY

The LP SmartSide Prorated Limited 5/50-Year Warranty makes it easy to move forward with confidence in your siding choice. This limited warranty includes LP SmartSide lap and panel siding, shake, trim, fascia, soffit and more, all available pre-primed.

COVERED FOR YEARS

- 5-year 100% labor and material replacement warranty
- 50-year prorated limited warranty
- Prorated Limited Warranty allows the original homeowner to transfer it to the next owner, if necessary.
